### HOW IT WORKS

- **LOEC will provide the courses for each class.** There will be one course for Equitation, and one for Medal (along with a jump off). Riders will set their courses according to our specifications for each class, including heights, distances, etc.
- Riders will have video taken from a designated spot on course. Everyone will video from the same spot, so the judge has the same perspective for each entry.
- The Show will be posted and placed on our facebook account (LO Equestrian), where you will find a photo containing each class name (ie "1. 2'9" Equitation Over Fences").  
\*\* No facebook account? No problem! You can email your video to the Show Manager, who can post it for you.
- You will post your video in the comments section under the class name/number that matches the class you are entering. Then, you will comment/reply to your video with the name of the rider and horse.
- Our judge, Anna Linde, will view each video, and then place the class.
- Ribbons and awards will be mailed to the address you provide!

### SPECIFICATIONS

- **Videos may be uploaded to the LO Equestrian facebook. Videos must be submitted NO LATER than 8pm on Saturday October 24 to be eligible.**
- Braiding and show attire are not required, but are encouraged!

- Courses must contain verticals only (no oxers, etc.)
- Entries are welcome to decorate their jumps as they would like (flower boxes, etc.), as long as the course and jump heights follow LOEC specifications.
